Introduction

The Best Value comes from the integrity of successful and working perfectly

| OVERVIEW

SAFIRAWOOD offers furniture made by experienced craftsmen. Still keep up the quality of goods of all what we offer, all our furniture can you get at affordable price point.

Combining modern and traditional designs, our furniture designs feature high quality materials and are researched in detail. So do not hesitate to bring the beauty of wood furniture to your home.

Company Vision

our vision

Our vision is to become one of the leading furniture manufacturers in the international market place offering innovative and superior quality products.

Our goal to become the preferred partner to the world's most successful furniture distributors.

Company Mision

A wooden stool made from a tree stump with three legs, set in a workshop. The stool is made of light-colored wood with a rough, natural texture. It has three legs and a flat top. The background is a blurred workshop with various wooden items and tools.

Our mission is to provide furniture products through Reliability, Flexibility, Integrity, and Speed.

Combine high quality and innovation with functionality, we will achieve our aims by consistently fulfilling our commitment

mision

Our Advantage

Various factors have added to our strength, our costumer-oriented approach customization facility, timely deliveries and other similar factors together has enabled us to stand apart of our competitors.

Our advantages comprise :

- ✓ Competitive & reasonable prices
- ✓ Unmatched designs
- ✓ Reliable & durable product range
- ✓ Timely deliveries
- ✓ Affordability
- ✓ Friendship & communicative staff

Quality Assurance

Quality is something that has enabled us to carve a niche in industry despite strict competition.

We follow stringent quality norms on each stage and check each stage, in order to avoid discrepancies in our range.

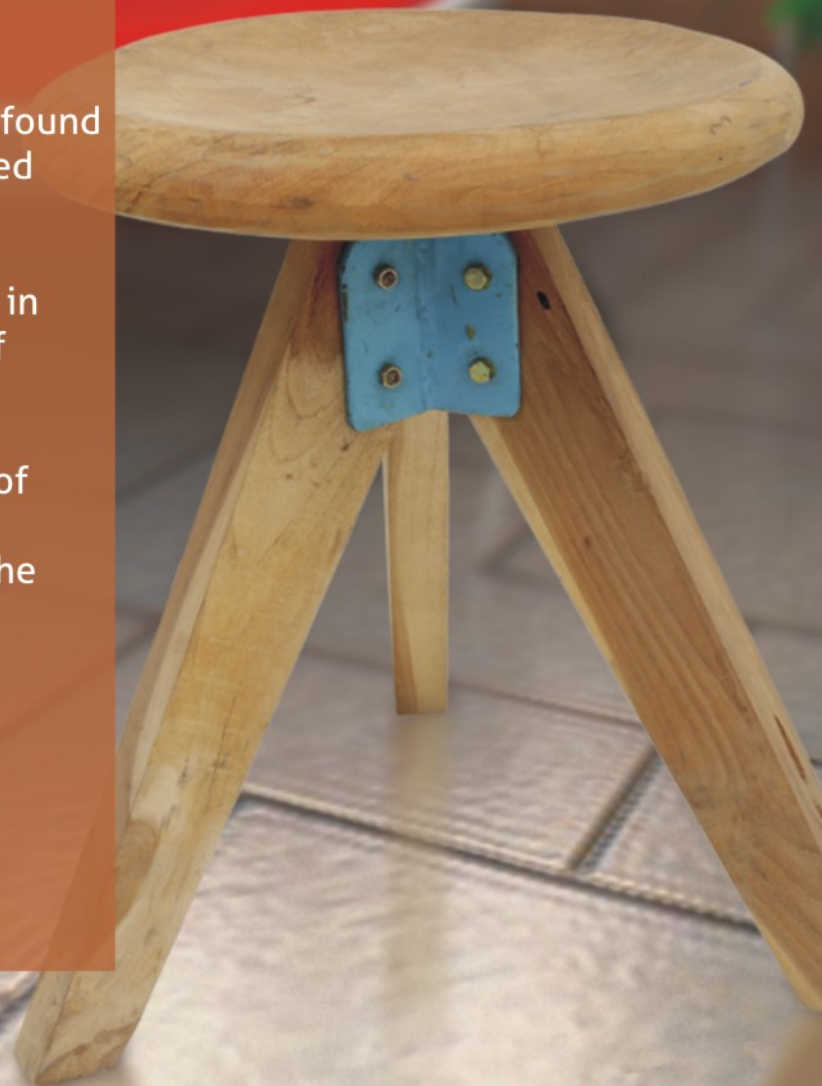

With the help of our extensive and profound experience, we have successfully served our clients in an efficient manner.

Costumization facility is offered by us, in order to meet the dynamic demands of clients in an efficient manner.

We know that the demand and choice of clients differ from country to country, hence we carry manufacturing as per the specifications given by the clients.

Costumization is done on the basis of following factors :

- Design
- Size
- Shapes
